## Author Declarations

- ☐ We confirm that there are no known conflicts of interest associated with this publication. Any relevant financial or non-financial conflicts of interest have been disclosed in the manuscript.
- ☐ We confirm that all sources of financial support for the research, authorship, and/or publication of this article have been disclosed in the manuscript under the heading **Funding**. If no specific funding was received, this is stated accordingly.
- ☐ We confirm that the manuscript has been read and approved by all named authors and that all individuals who meet the criteria for authorship are appropriately listed. We further confirm that the order of authors has been approved by all authors.
- ☐ We confirm that we have given due consideration to the protection of intellectual property associated with this work and that there are no impediments to publication, including any relevant patent or intellectual property considerations. We confirm that we have complied with the applicable regulations of our institutions.
- ☐ We confirm that any research involving human participants or animals has been conducted in accordance with applicable ethical standards and has received the required ethical approval. Relevant ethical approval and informed consent statements are included in the manuscript where applicable.
- ☐ We confirm that, where applicable, written informed consent for publication of identifiable patient information or images has been obtained and that this is stated in the manuscript.

☐ We confirm that the manuscript is original, has not been published previously, and is not currently under consideration for publication elsewhere, except where this has been disclosed to the Editor.

☐ We understand that the Corresponding Author is the primary contact for the editorial process and is responsible for communicating with the other authors regarding manuscript submission, revisions, editorial decisions, and final approval of proofs.

☐ We confirm that the Corresponding Author has provided a current and correct email address that is accessible throughout the editorial and publication process.
